IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Monitoring Requirements Not Met for Alto Water System

Our water system violated a drinking water requirement. Even though this was not an emergency, as our customers, you have a right to know what happened and what we are doing to correct these situations.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During the compliance period of 4/1/2025 to 4/30/2025, we did not complete all monitoring or testing for Total Coliform and therefore cannot be sure of the quality of your drinking water during that time.

What should I do?

There is nothing you need to do at this time.

What is being done? [Describe corrective action.]

Samples were taken the first week in May 2025 all came back negative.

For more information, please contact Town of Alto at [name of contact]
706-778-8035 [phone number] or P.O. Box 215, Alto, GA 30510 [mailing address].

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail
